# PRESERVATION

Estate Wheated Pot Distilled  
Kentucky Bourbon

**Type:** Estate Kentucky Bourbon Whiskey

**Age:** 6-7 Years Old

**Proof:** 110 – 118 (55% - 59% ABV)

**Bottle Size:** 750ml

**Overview:** At Preservation, we are obsessed with the art of slow distilling, and our Wheated Pot-Distilled Kentucky Bourbon is unlike anything else released in the past 50 years. Seven years aged in our barrel house, this bourbon presents a symphony of opulent, well-developed flavors: baklava, caramel, and toasted hazelnuts, with an irresistible creaminess and buttery mouthfeel that only comes from longer-aged, slow pot distillation.

## Key Features:

- Sweet Wheated Bourbon Mashbill
- Single Batch Pot Distilled on our farm
- Made with Our Farm's Pristine Limestone Water
- Premium Toasted and seasoned cask aged
- 1-3 Barrel Micro Batches
- Cask Strength
- Unfiltered
- Low Barrel Entry Proof

“Holy Crap!! This is *great* and yes, I am going to use the word *great*.”

- *Fred Minnick*

**This item is offered for barrel picks on a very limited basis.**

Preservation Distillery is dedicated to preserving the art of slow-distilling and traditional whiskey-making, embracing a hands-on approach in our “slow-tech” distillery to craft micro-batches with colossal flavors, driven by an unwavering obsession with quality.
